## INFORMATION FOR PARENTS

This information is for parents in the event of school closure due to snow.

❄️ The decision whether to or not to close the school will be made as early as possible. Every effort will be made to have this decision published by 8.00am

*(This decision will be based on a number of factors e.g. the amount of teaching staff who can travel to the school, accessibility to the school, catering availability – please do not assume the school will automatically close. We will make every effort to keep the school open and enjoy the experience of having snow at school! However, the school are committed to ensuring the safety of the children, staff and parents.)*

❄️ Parents will be informed through:-

- School Facebook Page
- Parent Texting Service
- School Website

❄️ Parents will also be able to find the information on Carmarthenshire County Council website using the link below:

[www.carmarthenshire.gov.wales/home/residents/education-schools/emergency-school-closures/#.WHflf1OLTIX](http://www.carmarthenshire.gov.wales/home/residents/education-schools/emergency-school-closures/#.WHflf1OLTIX)

❄️ Please note that the media i.e. Radio Carmarthenshire and BBC Wales have been instructed to consult the CCC website for information on school closures – this is Carmarthenshire's policy.

❄️ In the event of closure, parents will be informed via the above channels as to when the school will be re-open to pupils.

❄️ In the event of having to make a decision **during** the school day, we kindly ask parents **NOT** to ring the school. We will inform you through the above channels if the school will be closing.

❄️ Parents of families who live considerable travelling distance from the school will be able to collect their children prior to notification of closure if they deem the journey to be a danger.

Should you require further information or wish to discuss anything relating to this leaflet – please contact the school.
